Dear Mr. Bult:

Re: NPDES Permit No. ING490107  
CR 700 S, 1 mile E of US 421  
Pulaski County

This agency has reviewed your request of August 9, 2010, for voidance of the above-referenced permit. Due to the fact the quarry was never operational, a NPDES permit is no longer required.

Therefore, National Pollutant Discharge Elimination System Permit No. ING490107 issued October 15, 2006 is hereby revoked effective 18 days from the mailing date of this letter.

Any party adversely affected or aggrieved by this decision may appeal by filing a petition for administrative review with the Office of Environmental Adjudication (OEA) within eighteen (18) days after the date of mailing of this letter. Any appeal request must be filed in accordance with IC 4-21.5-3-7 and must include facts demonstrating that the party requesting appeal is the applicant, a person aggrieved or adversely affected by this voidance or otherwise entitled to review by law. Pursuant to IC 13-15-7-3, this decision shall remain in effect pending a decision on any appeal that has been timely requested under the provisions of IC 4-21.5. The address is:

Office of Environmental Adjudication  
Indiana Government Center North  
100 North Senate Avenue, Room 501  
Indianapolis, IN 46204

You are reminded that any future discharge to waters of the state must be preceded by the submission of an NPDES application at least 180 days prior to the commencement of such discharge.

If you have any questions regarding this matter, please contact Mr. Joe Gwinn at 317/ 233-8769.

Sincerely,
